

TORNADO SAFE HOUSE

EMORY CITY CENTRE

735 N. Texas Street (Hwy 19)
Emory, Texas 75440

If the US Weather Bureau issues a Tornado Warning, the Emory City Centre will be unlocked and made available for the duration of the warning.

We encourage all Rains County citizens to take advantage of this safe house in case of an emergency.

To register for emergency
“Code Red” calls, go to
www.co.rains.tx.us ;

On the Home Page, under the Rains County Courthouse, click on the **“Code Red”** icon. This will take you to the registration site.

Public numbers have already been registered, but mobile phones & private, unlisted numbers will need to be registered to receive emergency **“Code Red”** calls.

If you don't have the internet to register, call us and we will help you! 903-473-2465 x112

If you receive a
“Code Red” Tornado Warning Call:

1. It is our goal to have The Centre open within 5 minutes of the Warning for anyone who would like to utilize the facility.
2. Please park in designated parking space if available.
3. Proceed into building.
4. Once inside the building, please do not block the doors and stay inside for the duration of the warning.

IN THE EVENT the door has not already been unlocked, CALL 9-1-1.

If emergency personnel is not already in route, the 9-1-1 Operator will furnish instructions to unlock and enter the building!

Handicap accessible parking is available at both entrances.
